

ReloFact: Relocation Funding

As described in this ReloFact, there are three components to fund your relocation: **Core, Custom, and Personalized**. Please refer to the relocation directive for details on what's allowed for each benefit.

The information provided in this document is made available in the form of a general guide and is to be used for information purposes only. The relocation directive remains the authority for the reimbursement of all relocation expenses and you are encouraged to review the directive for eligibility prior to incurring any expenses.

Core Funding for Essential Expenses

Within the relocation directive, this component reimburses **essential** moving expenses for specific move types; for example:

- House Hunting Trip (HHT) for CAF member **and/or** spouse; or Destination Inspection Trip for CAF member **or** spouse
- Primary residence disposition
- Primary residence acquisition
- Interim lodgings, meals and miscellaneous expenses (ILM&M)
- Travel to new location (TNL)
- Shipment of household good and effects (HG&E)

Custom Funding for Enhancements

To the limit of funds available, this component funds selected **enhancements** for specific move types; for example:

- Dependant travel for a House Hunting Trip (HHT)
- Spousal employment-related expenses
- Cost to move a second vehicle to destination

Personalized Funding for Non-Essential Expenses

To the limit of funds available, this component funds defined **non-essential** expenses; for example:

- Shipment/care of pets
- All dependant(s) expenses on a DIT, if accompanying the CAF member
- Up to four additional days on a HHT
